Kia ora Waimairi Whānau,

As the start of Term Two nears, the Ministry of Education is conducting a national 'stocktake' of how many children do not have access to digital devices in their place of lockdown.

Please use this form to fill it out on behalf of your family, or on behalf of a family who you know who won't be getting this email because of a lack of internet access.

<https://forms.gle/sv9c3CBBfeKiBa7U9>

Let's reach out and help those who who you know do not have devices at home for children's learning.

It is important to note that this development does not mean that the Level Four lockdown is going to be extended. It is just good forward planning for this, or any future events.

Distance learning is a specialist area of education and there are no simple solutions which suit all children. I am going to do a Facebook Live session at 3:30pm today if you want to join in at <https://www.facebook.com/waimairi/> for a bit of Q & A about our plans for the coming weeks.

Note, if you have devices at home, and are not filling the form in on behalf of another family, you don't need to respond to the survey.

Nāhaku noa, nā

Mike Anderson
