Kia ora Waimairi whānau,

We have started planning to be ready if (and when) we move to a Level 2 school operation.

The Ministries of Health and Education will be providing us with details and health requirements tomorrow afternoon.

As soon as we have used this information to develop our 'Waimairi Level 2 Plan' we will be able to tell you what Level 2 schooling will look like for us.

In the meantime please help us by completing this quick, anonymous survey. We need a rough idea of the landscape we will face next week.

Further updates will follow.
