Kia ora Waimairi whānau,

We are getting ready for Monday.

At Level 2 hand washing is super important. Go over the attached process chart with your children. A shared language used at home and school is powerful.

The other attachment is full of helpful tips for coming back from lockdown. I hope it is of use.

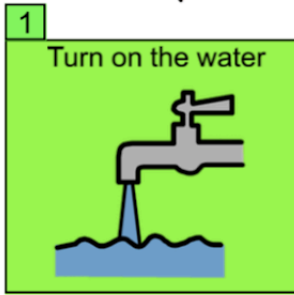

School gate crowds

Please say goodbye and hello to your children at some distance from the school gates. Perhaps from your car parked around the corner, maybe at the start of Tillman Ave, or somewhere along the railway path.

Build independence and resilience in your children by getting them to walk the last few metres to school on their own where possible.

If everyone gathers right up close at the school gates we will be creating unauthorised gatherings.

Hand Washing Sequence

Nāhaku noa, nā

Mike Anderson
