Kia ora,

Welcome to the last daily update email of this unprecedented event.

Tomorrow we welcome all of our children back to school. We certainly have plenty of measures in place to keep them healthy and safe.

However, the public health information clearly indicates that interaction between adults needs our close attention too.

Groups of adults in close proximity is something we must avoid at Level 2. Please don't congregate in groups before or after school.

-Stick to your assigned gates.

-Say goodbye to the kids well away from the school gates and let children walk the final distance on their own or with their friends.

-The office is only open for visitors from 9am - 2:45pm. Only one person inside at a time please.

-Arrange an after school meeting spot which is well away from our school gates.

Looking forward to seeing you (at a distance) tomorrow.

A huge thanks to you all for your patience and support over the last couple of months, our staff team has appreciated your flexibility and kindness.

Nāhaku noa, nā

Mike Anderson
