Kia ora Waimairi whānau,

Our first day back with pupils at Level 3 was delightful. The children really followed the rules but still had a fun day.

The 11 staff who worked today have just finished a review meeting and really have no big issues to address going forward.

If you do need to send children to school during Level 3 please contact [nicki.hudson@waimairi.school.nz](mailto:nicki.hudson@waimairi.school.nz) to arrange this. We can't take 'walk-up' pupils who we are not already expecting.

**Distance learning safety**

Those of you at home with children online, make sure you have installed the free protection system, provided by the Ministry of Education, on any computers or devices which your children are using. Here is the instruction link to change your settings again.

**Distance learning info' in multiple languages.**

If you would like information about distance learning in your own language you will find this link useful.
