Kia ora Waimairi whānau,

Welcome to today's pānui.

Tomorrow is the start of Week 4 of Term 2. Hard to believe in this surreal world which we currently inhabit. Our 11 'bubble staff' will once again leave their family bubbles in the morning to care for the children who need us on site.

But we also have another 30 teaching and support staff working from home to keep our school running.

Teachers and Learning Assistants are all still busy delivering distance classroom learning, speech and language therapy, reading recovery, and personalised programmes. Plus our payroll, accounts and admin' staff all keeping the ship afloat from home - Waimairi Staff Rock!

Need your kids at school next week?

Please email nicki.hudson@waimairi.school.nz to arrange this. We are happy to have them with us, but can't accept 'walk ins' in the morning.

Device and hard copy deliveries

99% of our school-owned device deliveries have now been completed.

The Government provided devices and further hard copy learning packs will soon be on their way to you too.

This will allow us to have our school-owned devices back at school for those who need them on site.

A number of Waimairi families used the online order form for a device not realising that they were ordering a device. Hey - there were so many emails and forms to deal with at that time. Not a problem team.

However... if you get a delivery from the Government this week, which you don't need. Please return it ASAP. These are scarce resources.

Moving to Level 2

Don't speculate, wait for the official communications. Planning begins tomorrow.
We will keep you in the loop.

Be kind, stay home, save lives.

Nāhaku noa, nā

Mike Anderson
