Kia ora Waimairi Whānau,

You are receiving this email because you are on our newsletter distribution list. We can't confirm which of our children are living with which parent or caregiver during lockdown. So we have created an account for all of you.

If you don't have a Waimairi child living with you during the lockdown, please ignore this email.

If your bubble receives multiple account invitations you only need to activate one of the accounts.

You will soon receive a separate email advising you of the details for your Waimairi School Google Account.

These accounts have been set up to provide a secure way of you and/or your children communicating with our staff during distance learning.

Please take some time to review the important information below.

**\*\*\*Year 5 and 6 students do not need to use these family accounts. They already have their own accounts. These accounts are for Year 0-4 use.**

1. These accounts belong to Waimairi School and are monitored by our staff.
2. For safety email (and other communications) using these accounts is available only to and from other @[waimairi.school.nz](mailto:waimairi.school.nz) accounts. Not the outside world.
3. These are the accounts which staff will use for messaging services during distance learning.

Nāhaku noa, nā
