Kia Ora,

Matariki Hāngi, International Food Festival and Science Learning Celebration.

Wednesday 4 July.

Join us for a very special day on 4 July.

At 7:15am we will welcome you all at a special dawn event next to the warm hangi fire. This concludes with breakfast and outstanding after-breakfast speaker Ian Taylor who will begin at 8:15am. The hangi will be laid down around 9:30am.

During the morning you are welcome to stay and join in with the children in a range of Matariki themed activities.

At 12:30pm we welcome you to taste our hangi and a range of international foods from a variety of ethnic groups within our Waimairi Community.

After lunch we encourage you to take a look at the showcase of science learning in your own children's rooms and at others around the school.

A full programme booklet for the day's events will be coming home shortly. Friends, family and neighbours, all welcome.

Teacher union meetings

As mentioned in our special newsletter last week we have been advised by the union that we can't split our staff across two meeting dates, and all of our teachers must attend the same meeting at the same time. This is scheduled for the afternoon of Tuesday 26 June. School will not be closed, but we will have limited staff left on site to supervise the children.

So if it is possible we would appreciate you collecting your child/ ren at 12:30pm.
Thanks in advance for your understanding.

Have a great week
Mike
