Kia ora Waimairi whānau,

We are busy planning for next week and we need a clear picture of who is attending school.

*"Where possible, **students should remain at home** connected to distance learning. Where parents or caregivers need to, they can send their children to school. Schools will be a safe place for children to go to learn if **their parents need to return to work, or the children cannot learn at a distance**. Children who are able to, should remain home and learn via distance."*

If you need to send your children to school when we reopen at Level 3 please complete this form as soon as possible. Do not fill in this form if your children are staying at home.
