Kia ora Waimairi whānau,

Tomorrow (Thursday) we will be sending home specific details about what our Level 3 reopened school will look and how it will function. This will be supplemented with a Facebook Live video at 1pm.

In the meantime we are busy planning and preparing the school to meet the new Public Health Standards required for Level 3 opening.

Please ensure that you fill in this form if your children are returning to school next week. Do not fill in this form if your children are staying at home.

*"Where possible, **students should remain at home** connected to distance learning. Where parents or caregivers need to, they can send their children to school. Schools will be a safe place for children to go to learn **if their parents need to return to work, or the children cannot learn at a distance**. Children who are able to, should remain home and learn via distance."*
